

PUBLIC MEETING NOTICE

Related to the Delaware Redevelopment Authority and The Kirkwood Army Reserve Facility

On Thursday April 19, 2007 at 10:30AM, in the Dover offices of the Delaware Economic Development Office (99 Kings Highway, Dover, DE 19901) there will be a meeting of a committee responsible for reviewing engineering and consulting proposals related to the Kirkwood Army Reserve Center.

This committee will review proposals received as a result of the recent Request For Proposal process (RFP). As a result of that process proposals were received relevant to the Kirkwood facility.

This committee, which has been appointed by the Director of the Delaware Economic Development Office, will meet on April 19th to review said proposals and to make recommendations for action by the Delaware Redevelopment Authority.

The members of the committee that will meet on April 19th include: Kate Finnerty of the Office of Governor Minner; Mark DeVore, Chief Engineer, Office of Management and Budget; and Tom McCarthy, Chief Operating Officer, Delaware Economic Development Office.

Minutes of the April 19th meeting will be kept and later posted in the record of the Delaware Redevelopment Authority's proceedings on WWW.DEDO.Delaware.gov.

The committee may conduct a part of its meeting in one or more executive sessions closed to the public for the purpose of discussing certain confidential financial or commercial information submitted by proposers that is not part of a "public record" within the meaning of 29 Del. C. §10002(g).

Agenda for the April 19, 2007 meeting:

10:30 – 11:30AM Open and review proposals

11:30- Noon Score proposals

12:30PM Adjourn.

For more information contact Tom McCarthy, Chief Operating Officer, DE Economic Development Office. (Tom.McCarthy@state.de.us)
